Steam Services 2020

Yellow and Green timetable days with a red box around them indicate when we intend to have trains hauled by a steam locomotive. On the Yellow days with a red box both services will be hauled by a steam locomotive.

On the Green days with a red box the 10:45 and 14:30 from Leeming Bar and the 12:25 and 16:15 from Redmire will be hauled by a steam locomotive.

We make every effort to operate a steam locomotive on these days, however we reserve the right to substitute an alternative (which may be a diesel locomotive or diesel railcar) if a steam locomotive is unavailable. Where this is necessary, we will make every effort for the website and social media feeds to be updated as soon as possible.
